In order to get set up, you go to your team page, and at the top right, click "Claim This Team." Choose either that you want to be a coach or team admin. Follow the instructions on that page. Apply and submit. Once you do that and are approved (usually within a few hours), you will receive a confirmation email and you'll be set to go to the next step.

3. Update Your Roster - If your team's roster is not already up to date, now is a good time to get any corrections made and add any additional athletes to it. Go to your team page, login, and you will see button that says "Team Administration" to the right of your team's name. Click that and then click roster on left hand toolbar. Enter or update your roster, adding any new athletes. To move graduated athletes to Alumni, simply add their graduation year and hit save.
